Peters Quarters Party on Main in support of Open Door Ministries!

This event was a major success! With nearly 100 VIPs in attendance, 15 vendors, 107.5 KZL, a magician, and so much more, we not only raised thousands of dollars for Open Door Ministries, but we also spread the word! Dr. Lenny Peters, and his staff created an event unlike any other where us as an organization got to share with the community, our desire to assist them in any way possible.

A very special thank you to Bethany Medical and the Lenny Peters Foundation for making this happen! Also, if you haven't seen the newly completed Box Truck that ODM utilizes to pickup and deliver foods, it is a wonderful way for us to share our mission. A big thanks to Dr. Lenny Peters for providing the funding for this project!

A Thankful Guest!

Everyday we help promote a positive life for every person that comes through our door. Often times the thank you we receive is simply providing our service, a head-nod, or a thank you as they leave. However, sometimes the thank you we get is a message, given to us days, weeks, months, and even years later, as our guests find themselves in a better place.

We are thrilled to serve every guest we serve, and individuals like the one who wrote us below, show us the difference and impact we are making. Enjoy his note, just as we did!

Hello Fellas.

It has been a week since I left Open Door and am doing quite well.

I certainly want to Thank You for all you guys did for me during the 2 months I was at Open Door. To have a roof over my head, access to showers and meals to eat if I needed them - this was Truly a Godsend!

Being involved in the Mission of Open Door Ministries was a Great experience for me. I was glad to do what little I did for the organization. and it gave me an insight into the needs of the Community. This I carry with me and hope to lend

Equipment Replacement Campaign

After one of the busiest summers in Open Door's History we have seen the smiles on so many faces!

We have had the pleasure to provide:

7,314 meals in our Father's Table Community Kitchen!

Assist 8 families financially!

Maintain 23 families in our PermanentSupportive Housing Program!

Serve 219 households in our Food Pantry! (A 52% increase in one month)

House 16 Veterans in our Veterans Transitional Housing Program!

We are successful because of members of the community and volunteers like you!

Unfortunately, these numbers, as momentous as they are, have led to equipment failures that we did not foresee. Arthur Cassell Veterans House has a broken Air Conditioner in one of the main living spaces. We also have learned that one of our Walk-In Freezers as stopped working and is in need of repair. Both of these equipment failures hurt our Veterans Programs, and all programs, it is crucial that we find a way to fix these issues.

Quotes for both projects are around \$8,000 a piece, with a total cost of \$16,000. The
